Meadowbrook Community – Land Assembly

ANCASTER, ON. – February 14, 2008 – Today is a big day for Ancaster and particularly the Meadowbrook West Community bound by Jerseyville Road to the north, Meadowbrook Road to the east, Shaver Road to the west and the 403 Highway to the south.

In December 2006 the province of Ontario donated the Jerseyville Woodlot, which is comprised of approximately 30 acres of land, to the City of Hamilton.

The presentation held today is for the recent transfer by Daniel Guizzetti of Empire Communities of approximately 13.8 acres of land. This now brings our total land holdings in this area to approximately 52 acres of naturally wooded land that will remain in public ownership forever.

It is our plan in the near future to construct passive trails through the three pieces of property to allow the public to enjoy this natural part of Ancaster.
